

# Science tutor Damilare Oludeyi Physics, chemistry, biology

**Date of birth:** August 15

**Nationality:** Nigerian

**Address:** No 6 surulere street sango ibadsn, Bisi marafa street gbaremu ibadan, Ibadan 43212, Nigeria

**Phone number:** 08145966234

**Email address:** damilareoludeyi633@gmail.com

## Profile

---

Passionate and dedicated Science Teacher with a focus on middle school education. Successfully increased student test scores by an impressive 15% through differentiated instruction and personalized learning strategies. Skilled in developing engaging science lesson plans and implementing hands-on experiments to enhance student understanding. Proficient in organizing and leading enriching field trips to science museums and research facilities to further students' educational experiences. Able to create a dynamic and interactive learning environment that fosters curiosity and critical thinking skills.

## Work Experience

---

08/2024 – present  
Ibadan, Nigeria

### Science teacher

#### Geebrain academy (jupeb)

- Developed and implemented engaging and effective science lesson plans for middle school students.
- Increased student test scores by an average of 15% through differentiated instruction and personalized learning strategies.
- Implemented hands-on experiments and demonstrations to enhance student understanding and retention of scientific concepts.
- Organized tutorials on chemistry and biology for jupeb class, jamb and post utme

09/2023 – 08/2024  
Ibadan, Nigeria

### Physics and chemistry teacher

#### Chancery college

- Developed and implemented engaging lesson plans for high school students, integrating hands-on experiments and real-world applications to enhance understanding of complex physics and chemistry concepts.
- Facilitated active learning through group discussions, peer teaching, and interactive demonstrations, fostering critical thinking skills and problem-solving abilities among students.
- Utilized technology, such as online simulations and virtual labs, to supplement traditional teaching methods and create a dynamic and interactive learning environment.
- Collaborated with colleagues to align curriculum with state standards, assess student progress through regular quizzes and exams, and provide individualized support to ensure academic success for all students.
